## ANNOUNCEMENTS

### SMLD's year-end discount

The Sterling Municipal Light Department will apply an early payment 25 percent discount to the energy portion of its customers' bills for the month of December 2010. In order to receive the discount, you must be eligible. Your billing statement will indicate your discount date, if applicable. Payments must be received in full at the SMLD by 3:30 p.m. on your discount date. To pay through Unipay Gold, visit [www.energysterling.com](http://www.energysterling.com) and click on the link to pay online.

According to the SMLD, good planning, decision making, and budgeting, plus smart power purchases all year long, allowed the SMLD to offer this discount. The SMLD values residents' patronage, and appreciates their confidence.
