Power line repairs in town's northwestern corner

Contract line crews will be working with the Sterling Municipal Light Department to repair lines in the northwestern corner of Sterling, from Heywood Road to Justice Hill Cutoff on both Rowley Hill Road and Justice Hill Road, starting this month and continuing into 2010. They will be permanently repairing the three-phase power line and laterals. For more information or any questions, call Light Department Customer Service at 978-422-8267.

Generator seminar at 3 p.m. Thursday

The Sterling Municipal Light Department's seminar on residential generator use begins at 3 p.m. Thursday, Nov. 19, in the first floor of the Light Department building at 50 Main St., Sterling. For more information or to register, please call 978-422-8267.
